Once published, the paper may be reused in accordance with the terms of the applicable Creative Commons Attribution (CC BY) licence, including appropriate citation information (for electronic use best efforts must be made to include a link to the online abstract of the paper on IOPscience), a link to the Creative Commons Attribution (CC BY) licence, and indicating if any changes have been made to the original paper.

By granting this licence, the author warrants that the paper they are submitting is their original work, has not been published previously (other than in a research thesis or dissertation which fact has been notified to the conference organizer in writing), all named authors participated sufficiently in the conception and writing of the paper, have received a final version of the paper, agree to its submission and take responsibility for it, have read and understood IOP Publishing's ethical policy (<https://publishingsupport.iopscience.iop.org/ethical-policy-journals/>) and agree that the submission complies with its terms, and the submission has been approved as necessary by the authorities at the establishment where the research was carried out.

By granting this licence, the author also warrants that they act on behalf of, and with the knowledge of, all authors of the paper, that the paper does not infringe any third party rights, it contains nothing libellous, all factual statements are, to the best of the authors' knowledge and belief, true or based on valid research conducted according to accepted norms and our ethical policy (<https://publishingsupport.iopscience.iop.org/ethical-policyjournals/>), and all required permissions have been obtained.
